## LECTURE SERIES

ON

### “Artificial Intelligence in Education: Enhancing Teaching and Educational Innovations”

Date: 12 December 2025

Venue: Swami Dharmabandhu College of Education, Hazaribag

In the fifth day of the on-going one-week Lecture Series, the focus was on the topic “Ethical and Responsible Use of Artificial Intelligence in Education” for today’s session of the lecture Series, Prof. (Dr.) Ashok Kumar, Professor & Controller of Examinations Department of Education, Radha Govind University, Ramgarh, Jharkhand, was invited as a resource person in Swami Dharmabandhu College of Education. The lecture series was organized under the IQAC and in collaboration with the University Department of Education, V.B.U., Hazaribag, Jharkhand.

The Resource Person explained how AI is becoming a powerful tool in education, and he stressed ethical principles such as **transparency, fairness, privacy, and accountability**. He talked about how AI should support teaching and learning, but human judgment must always remain central. The resource person also pointed out risks like biased algorithms, misuse of student data, over-dependence on automated systems, and unverified AI-generated content.

## IMPACT ON STUDENTS

Students enjoyed the session since it was interactive and informative on the other hand. As discussed with students, the topic covered was appreciated by the students.

## Conclusion

The lecture successfully enhanced participants’ understanding of the ethical dimensions of AI in education. It encouraged educators to adopt AI tools carefully, ensuring that technology supports learning while upholding integrity, responsibility, and human-centred values. The lecture was informative, thought-provoking, and helped everyone to understand the importance of using AI responsibly in educational settings. It was an extremely informative and interactive session where students acquired knowledge on the trending application of Artificial Intelligence.
