Report on Meri Mati Mera Desh Participation in VBU

17.10.2023

Meri Mati Mera Des programme was organise by Vinoba Bhave University in which 12 student of Swami Dharmabandhu College of Education went there for the Meri Mati Mera Desh cultural programme and submitted kalsh to the university in the Vivekananda building.

This programme was headed by NSS head management Mr. Manoj Kumar. The trainee students who participated in this program were the student of sem-I Kajal, Shahbaz, Hemant, Anjali, Rajkiran and Pammi soni.

Objective :-

The main aim was to create patriotism among youth.

To create national unity

To create community participation.

To create cultural connection.

Conclusion:

The **Meri Maati Mera Desh** initiative at **Vinoba Bhave University** has been a highly successful and impactful event that contributed to the national campaign of celebrating India's heritage, freedom struggle, and unity. By engaging students, faculty, and local communities in activities like soil collection, tree planting, cultural programs, and environmental conservation, VBU has not only contributed to national awareness but also fostered a sense of pride, patriotism, and responsibility among its members. The university's participation has reinforced the importance of connecting with India's history and heritage while promoting sustainable practices for the future.
