A REPORT ON BLOOD DONATION CAMP

Organized by: Swami Dharmabandhu College of education, Hazaribag.

Date: 17th April 2026 (Friday)

A Blood Donation Camp was organized by our college in collaboration with the Red Cross Society at college campus on 17th April, 2026. The event aimed to promote awareness about the importance of blood donation and to encourage more people to participate in this life-saving activity. The camp saw enthusiastic participation from the principal of the college, teaching staff, non-teaching staff and students of the college, who were informed about the importance of blood donation. The event commenced with the Principal of the college Dr. Sarika Kumari, who felicitate the sapling Mr. Tanwir Singh, the secretary of the Red Cross society as a token of respect. The event was inaugurated by the principal by donating blood, and ample of students enthusiastically came forward and donated blood in this camp. 22 units of blood were collected from this camp.

Objectives of the Blood Donation Camp

The primary objectives of the blood donation camp were:

- To collect blood to meet the rising demand for blood and its components in local hospitals and medical facilities.
- To raise awareness among the college students and the community about the significance of regular blood donation.
- To foster a spirit of community service and responsibility among the youth.

The camp started at 11:00 A.M. and continued till 2:00 P.M., in which 22 units of blood were collected. The haemoglobin level, body weight, blood pressure and past health records of the donors were properly checked before they were taken for the blood donation. The donors

were asked to fill out a form to maintain a record. All the donors were provided with appreciation certificates.

Registration and Medical Check-Up

Participants started registering at 11:00 AM. Each potential donor underwent a thorough medical check-up conducted by a team of doctors and medical staff from the Red Cross Society to ensure they were fit to donate blood. The check-up included:

- Measuring blood pressure
- Checking haemoglobin levels
- Assessing medical history

Blood Donation Process

After the medical check-up, eligible donors were guided to the donation area. The blood donation process was conducted under strict medical supervision to ensure the safety and well-being of the donors. Each donor was given post-donation care, which included:

- Providing refreshments to help replenish their energy levels
- Offering a resting area for relaxation post-donation
- Issuing certificates of appreciation

Positive Impact and Awareness

The event not only achieved its goal of blood collection but also:

- Enhanced awareness about the critical need for regular blood donations.
- Encouraged the youth to actively participate in community service.
- Strengthened the collaboration between educational institutions and healthcare services.

Acknowledgments

The success of the blood donation camp was made possible through the collective efforts of various individuals and organizations. We extend our heartfelt thanks to:

- The Red Cross Society of India for their invaluable medical support and collaboration.
- The principal of the college is acknowledged for its enthusiastic and tireless efforts in organizing the event.

- All the donors for their generous and life-saving contributions.
- The college management and staff for their support and cooperation

Conclusion

The blood donation camp organized on 17th April 2026 was a resounding success, reflecting the spirit of community and selfless service. The collective efforts of Swami Dharmabandhu College of Education and the Red Cross Society have made a significant impact in supporting healthcare needs and saving lives. We look forward to organizing more such events in the future and continuing our commitment to social welfare and health services.
