REPORT ON WORLD ENVIRONMENT DAY CELEBRATION

Organized by: NSS Unit-I in collaboration with Hareetimaa Eco Club Committee

Venue: Swami Dharmabandhu College of Education, Hazaribag

Date: 30 May 2026

World Environment Day was celebrated on 30 May 2026 at Swami Dharmabandhu College of Education, Hazaribag under the joint auspices of NSS Unit-I and the Hareetimaa Eco Club Committee. Students of the 2025–27 session actively participated in the programme. The event was organized to promote environmental awareness and encourage students to become responsible citizens committed to environmental conservation.

Objectives of the Programme

1. To create awareness among students regarding environmental conservation.
2. To educate participants about the harmful effects of plastic pollution and promote a plastic-free lifestyle.
3. To encourage proper waste segregation and recycling practices.
4. To motivate students towards tree plantation, water conservation, and sustainable use of natural resources.
5. To ensure active participation of youth in building a clean, green, and healthy environment.

During the programme, discussions were conducted on environmental protection, biodiversity conservation, climate change, plastic waste management, and cleanliness. Students were informed about the importance of maintaining environmental purity through eco-friendly practices in daily life. They were also educated about proper waste segregation and the importance of reducing, reusing, and recycling plastic materials.

The Principal of the college, Dr. Sarika Kumari, delivered an inspiring message emphasizing that environmental protection is one of the greatest responsibilities of the present generation. She encouraged students to plant more trees, conserve water and energy, and adopt environmentally responsible behavior.

The Programme Officer, Dr. Manoj Kumar, highlighted the importance of collective efforts in protecting the environment. He urged students to avoid single-use plastics and actively participate in environmental conservation activities for a sustainable future.

The programme concluded with an environmental pledge, where all participants promised to contribute towards protecting nature and maintaining a clean, green, and pollution-free environment.

Conclusion

The celebration of World Environment Day was highly informative, inspiring, and successful. The programme enhanced environmental awareness among students and motivated them to adopt sustainable practices in their daily lives. Such initiatives play a significant role in promoting environmental responsibility and achieving the goals of sustainable development.
